

Creating opportunities for people to learn and achieve their goals since 1995

CHILDREN/TEENS

We help children and teens with disabilities discover new skills, become creative and resilient, and develop internal strengths that foster a life of well-being and independence.

We help solve issues that emerge in a child's life and encourage the child to build relationships, make friends and become involved in their community.

COMMUNITIES

We build strong, lasting relationships with our clients and the communities we work in by:

- Partnering with employers to find people jobs
- Collaborating with schools
- Educating business and civic organizations
- Sponsoring community events
- Volunteering in community activities including Relay for Life, Idaho Food Bank and Chamber of Commerce events

FAMILIES

We understand the life-long challenges and concerns of parents and families of children and adults with disabilities.

Our staff is available to family members to provide hands-on training, encouragement and support to further develop and strengthen the family's ability to help their loved one learn and achieve their goals.

Whether finding a job, building relationships, accessing the community, or learning to become more independent, we are dedicated to helping individuals with disabilities be successful and achieve their goals.
