EMPLOYMENT AND EMPLOYER SERVICES

Our Goal
is to ensure successful
placements and make
ideal employment matches.

Community Partnerships of Idaho is a private company offering a variety of services to employers.

Community Partnerships
of Idaho, Inc

Partnering with employers to meet hiring needs

Community Partnerships of Idaho's Employment Services provides the right employees for your business!

"The hassle of placing want ads in the paper, screening applicants and checking references takes time and money! Instead, I call Community Partnerships. They bring me prepared, reliable people without charging employment agency fees."

- Local Employer

Community Partnerships meets your employment needs

- Learn your hiring needs, company culture and future direction.
- Provide you with a choice of skilled candidates.
- Support you and your new employee to ensure continued success.

Community Partnerships has a high success rate because:

- **LONGEVITY:** Turn-over is hard on businesses — many of our clients have worked for years with the same company.
- **TRAINER PROVIDED:** Training is provided by Community Partnerships professionals.
- **TAX CREDITS:** Most businesses are eligible for tax credits.
- **RELIABILITY:** You will have a professional, well prepared and reliable employee.

We understand that the hiring process is very time consuming and costly...

Community Partnerships
of Idaho, Inc

Our reliable and motivated clients become your long term employees.

Let our business help your business with your hiring needs !

Why Community Partnerships of Idaho?

We know what makes a good fit between an employee and potential employer. We provide extensive training and prescreening so that our client is the best match for your job.

Community Partnerships offers employers excellent service

Community Partnerships of Idaho will:

- Post your current and future job openings.
- Assist your company with the Work Opportunity Tax Credit (WOTC), reducing your federal tax liability.
- Offer resumes and reference screening for our applicants.
- Interview coordination for our applicants.
- Provide job placement and time limited training - individualized assistance and training in every facet of the job tasks for our applicants.
- Provide long term job coaching (for individuals that meet the criteria).
