

FAMILY EDUCATION AND TRAININGS OFFERED

WHAT IS FAMILY EDUCATION/TRAINING?

Family Education provides general training in behavior modification, crisis intervention, specific disabilities, potty training, sensory needs, and much more.

MEET OUR TEAM

MICHELLE LAMBERT, Ph.D.

MICHELLE LAMBERT, Ph.D. is a renowned therapeutic and behavior consultant in the Pacific Northwest. She founded and directed several early intervention companies in California, which focuses on developing and implementing Functional Behavioral Assessments and Goals for children with PDD and Autism.

Her work in Idaho focuses on supervising and training therapists, providing behavioral treatment and remediation to children with autism and developmental disabilities and working with families.

HEATHER ORCHARD, M.A.

HEATHER ORCHARD, M.S. has over 10 years of experience directly working with children and teens with disabilities. Heather is excited to serve as School Behavior Consultant and Mentor to School Based Behavioral Intervention staff.

SYLVIA UPDEGRAFF, M.S.

SYLVIA UPDEGRAFF, M.S. has worked as a therapist for children with developmental disabilities, particularly those on the autism spectrum, providing Developmental Therapy, Intensive Behavioral Intervention, and Habilitative Intervention since 2007. Her experience includes designing and implementing individualized program plans for children as well as providing Family Training. In 2014 Sylvia joined Community Partnerships of Idaho as a Behavior and Therapeutic Consultant.
