**Friday Night Group**  
fun activities with friends

## Frequently Asked Questions

### What is Friday Night Group?

Friday Night Group is a recreational and social program for adults with developmental disabilities interested in participating in a wide variety of fun activities with peers. Activities include attending movies, parties, community activities, bowling, sporting events and dances. Friday Night Group is a non-Medicaid funded program.

### How Does the Program Work?

If an individual is interested in participating in planned group activities it is easy and economical. Registration is accepted quarterly and a fee of \$20 is charged per quarter, plus activity costs. An application must be completed in order to attend. A quarterly calendar of planned activities is created and available. Individuals sign up for the activities that they would like to attend over the next three months. Contact the office nearest you for more information.

### Is Supervision Provided?

Individuals are supervised at all times while participating in the activity. We have an approximate ratio of one staff member per eight participants. The pay for staff is included in the fee. All staff are trained and CPR/First Aid certified.

### Is Transportation Provided?

A participant must be able to get to and from the activity on their own or by the family/provider. Some families/providers set up car pools and take turns driving.

### What Is The Cancellation Policy?

With a five day cancellation notice, money received can be applied toward another activity. Money will be refunded with a two week notice. If you are unable to give a two week notice, the money will not be refunded because we plan staff based on the number of participants that are signed up.

### Is There A Sign Up To Attend?

Participants need to fill out a quick application, registration form and pay for the activities they wish to attend. The registration form needs to be filled out each quarter but the application is updated yearly. We create a schedule for the quarter so that you know what is happening for the next few months. You cannot sign up in the middle of a quarter.

### How Much Does it Cost?

There is a quarterly administrative fee of \$20.00 and each individual activity cost is listed on the sign-up sheet. An individual can pick and choose based on budget and interests!

### Are Parents/Providers Invited To Attend Friday Night Group With The Participants?

We encourage parents/providers to allow the participant to attend independently so they can socialize with friends. However, if someone is new to the program and the parent/provider would like to come for the first week to make sure the participant is comfortable, please let us know. Be sure to check the schedule for some activities throughout the year that may include an invitation to family/providers.

### Why should I Choose Community Partnerships?

Community Partnerships has been providing Friday Night Group activities for over fifteen years in our Boise location. Our Friday Night Group activities are fun and allow participants to exercise their independence with their friends in the community.
