## Community Partnerships' Kids and Teen's Night Out

is available to any person who is diagnosed with a developmental disability. Kids Group - ages 6-10; and Teen's Group - ages 11-17.

Respite staff will be present (average ratio will be 1:3) during all activities to provide general supervision, ensure safety and to assist participants as needed. Participants will be able to choose which activities they wish to attend and pay only for those activities.

The activity fee for each activity will cover entrance fees and supplies. If individuals would like to purchase items while at an activity they will need to bring additional money. Families may choose to pay privately for respite staff or opt to use group respite hours from their Children's Plan of Service. The group will be meeting on select Fridays at varied times.

Organized by Community Partnerships of Idaho, Inc.  
*"Creating opportunities for people to learn and achieve their goals since 1995"*

Community Partnerships of Idaho is a multi-service agency providing supports for children and adults of all ages. Whether finding a job, building relationships, accessing the community, or learning to become more independent, we are dedicated to helping our clients be successful and achieve their goals.
